C.D.C. - WHAT WE ARE ABOUT

Once a person becomes a Christian, it is essential to get plugged into a Bible Study class in order to develop and mature in Christ. It is also important for mature Christians to stay involved and continue their growth. The Christian Development Center is at the front line at Kainos to provide each student with radical discipleship that "...transforms lives through Biblical teaching and study..." We want all Christians to be knowledgeable about what they believe and why they believe it. Get plugged into a discipleship training class and get on track to learn the most vital aspects of the Christian faith. Classes are currently held on Sunday mornings, and Wednesday nights.

Check the church bulletin for notices of upcoming dates and times.
